Moreover, if the copyrighted work (including, without limitation, images) or other intellectual property of any person, or if the name, image, likeness, voice, or persona of any other person, or if the home or other property of any other person is included in, depicted in, or perceptible in the Content, you hereby confirm, for the avoidance of doubt, (i) that each such copyrighted work (including, without limitation, images) or other intellectual property, each name, image, likeness, voice, and/or persona, and each home or other property is, likewise, specifically intended to be included within the scope of the permissions and other terms provided for in the immediately preceding paragraph, and (ii) that you have obtained the written, signed agreement of each such other person to the use of each such copyrighted work (including, without limitation, images) or other intellectual property, each name, image, likeness, voice, and/or persona, and each home or other property, to the same extent as set forth in such permissions and other terms provided for in such preceding paragraph.

You represent that you have all rights, consents, status and authority necessary to grant the rights and make the commitments, representations and other agreements contained in this Authorization and Release. You are entering into this Authorization and Release in consideration of the possibility(ies) of exposure for certain Content, of furthering goodwill between you and Licensee, and/or of furthering your reputation and/or experience, but you agree that Licensee is under no obligation to actually use any Content, and you further agree that you will be entitled to no monetary or other compensation except as may be expressly set forth to the contrary in this document and you hereby waive and release all claims you might now or hereafter have regarding Licensee's use of any Content.
